EKCO DAKOTAN — This is our other bull entry for Jamestown and we think he is a good mate for Majestic as this bull has never stood lower than second place in 9 fairs and was first prize Junior Yearling in strong shows at Minnesota and S. Dak. State Fairs — the last two times shown and is still improving. One of the smoothest bulls you will find. His full brother stood third in the International Congress Sale in 1951 and has proven to be a most successful sire in Indiana.

ELDAK MAX BONUS — Who will be the fortunate new owner of this great bull? He was Grand Champion bull at the Billings Fair this year and was first prize Junior Yearling at Grand Forks, Minot, Great Falls, and Sioux Falls. A half-brother to the famous Eldak Campeon Max and out of a daughter of the Marshal-bred Augusta cow that was the dam of Reigning Sovereign, this bull is bound to breed on. Very thick and deep in his quarters with tremendous bone. The calves left by Eldak Campeon Max are in a class by themselves and we feel confident that this bull will also breed well.

ELDAK FANCIFUL 6th — She Sells! (See Footnotes Below.)

ELDAK FANCIFUL 6th — This is a heifer that definitely should not leave Eldak but we know it takes a heifer of this type and quality to come close to the top and we are determined to consign a heifer that will compare favorably with the best that will be sold and so here she is. She is as good as her picture. She has been shown at 9 fairs during 1954 and was first or second at every one of them and was Junior Champion at Billings. A tremendous heifer with great depth and very thick fleshed. She was bred in July to Eldak Culmination, the Grand Champion Shorthorn bull at the 1954 Futurity who is by Mill-hills Fantasy and out of the only Perth Champion Female in America, Carstrad Princess who is one of the breed's greatest cows. The calf from this mating should be outstanding and fortunate indeed will be the purchaser of this great female. Pretested and vaccinated for bangs.
